

Get to know Ophthalmologist Dr. Robert G. Mirsky, who serves patients in Livingston, New Jersey.

Robert G. Mirsky, MD, Ophthalmologist with the Refractive Surgery Center at Barnabas Health Ambulatory Care Center

New York City, Jul 23, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Mirsky is a board-certified ophthalmologist who is

currently serving patients at the Refractive Surgery Center at Barnabas Health Ambulatory Care Center in Livingston, New Jersey. The Refractive Surgery Center at Barnabas Health Ambulatory Care Center offers the most comprehensive array of laser refractive surgery procedures in New Jersey. Together with the outstanding Saint Barnabas staff of ophthalmic surgeons, the Center provides state-of-the-art technology and medical expertise second to none.

Dr. Mirsky graduated with his medical degree from Virginia Commonwealth University in 1975. He then went on to complete his internship at Norwalk Community Hospital in 1976, followed by his residency at MUSC Health Storm Eye Institute in 1979.

Dr. Mirsky is board-certified in ophthalmology by the American Board of Ophthalmology (ABO). The ABO is an independent, nonprofit organization responsible for certifying ophthalmologists (eye physicians and surgeons) in the United States. Founded in 1916, the ABO was the first American Board established to certify medical specialists and is one of 24 specialty Boards recognized by the American Board of Medical Specialties (ABMS) and the American Medical Association (AMA).

Dr. Mirsky is a Fellow of the American Academy of Ophthalmology (FAAO). The mission of the AAO is to protect sight and empower lives by serving as an advocate for patients and the public, leading ophthalmic education, and advancing the profession of ophthalmology.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. They may provide routine care such as vision testing, as well as prescribe and fit eyeglasses or contact lenses. However, ophthalmologists are also surgeons. They repair traumatic injuries to the eye and perform cataract and corneal surgery.

In addition to English, Dr. Mirsky speaks Spanish.
