

Joseph D. Inzinna, DABR, Radiologist with Baptist Health South Florida/MEDNAX/Radiology Associates o

Get to know Radiologist Dr. Joseph D. Inzinna, who serves patients in Miami, Florida.

New York City, Jul 23, 2019 (IssueWire.com) - Dr Inzinna is a board-certified radiologist who is currently serving patients at Baptist Health South Florida in Miami, Florida. Since 1960, BHSF has been one of the most respected medical centers in South Florida. Located just 20 minutes from Miami International Airport, the hospital's full range of medical and technological services is the natural choice for a growing number of people throughout the world. Inside the hospital, a highly qualified staff and the finest technology provide a model for treatment capabilities equaled by few other community hospitals.

Dr Inzinna is a practising radiologist, partner and prior board member with the Radiology Associates of South Florida (RASf). Founded in 1960, the RASf is the 10th largest private practice group in the United States. The group consists of over 110 sub-specialized physicians, including the world-famous interventional radiologists at Miami Vascular Specialists, serving the Miami Cardiac & Vascular Institute and the Sloan Kettering affiliated Miami Cancer Institute. Other affiliations includes Florida International University Medical School and the Miami Orthopedic and Sports Medicine Institute of Miami, who serve the amateur and professional Miami sports teams,

Dr. Inzinna earned his medical degree from the University of Bologna, Italy - Faculty of Medicine and Surgery in 1990. Completed both Internal Medicine and Radiology residencies at St. Barnabas Medical Ctr. NJ and New York Medical College. Additional one year fellowship and clinical instructor in musculoskeletal radiology at the University of Maryland Health System in Baltimore and previous assistant professor of MSK radiology at SUNY Syracuse.

Dr Inzinna is board-certified in diagnostic radiology by the American Board of Radiology (ABR). The ABR is an independent, not-for-profit organization and is one of 24 national medical specialty boards that make up the American Board of Medical Specialties (ABMS). Dr Inzinna is also ACGME fellowship-trained, sub-specializing in diagnostic, pain management and interventional musculoskeletal radiology.

Radiology is the medical specialty that uses medical imaging to consult, diagnose and treat diseases within the human body. Radiologists, like Dr. Inzinna, are medical doctors who specialize in diagnosing and treating injuries and diseases using medical imaging procedures (exams/tests), including X-rays, computed tomography (CT), magnetic resonance imaging (MRI), nuclear medicine, positron emission tomography (PET), and ultrasound.
