Get to know Pediatrician Dr. Peter J. Acker, who serves patients in Greenwich and White Plains, Connecticut.

New York City, Jul 26, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr Acker is a board-certified paediatrician who is currently serving patients at Westmed Medical Group in Greenwich and White Plains, Connecticut. Westmed Medical Group is an award-winning multispecialty medical practice, staffed by a team of 500 top physicians and advanced care providers and 1,500 clinical employees, throughout thirteen office locations in Westchester County, NY, and Fairfield County, CT.

Dr Acker is also an attending paediatrician and former chairman of paediatrics at Greenwich Hospital in Greenwich, Connecticut. Greenwich Hospital, a 206-bed regional hospital, is committed to innovation and excellence in patient care, teaching, research, and service to its communities. It is a major academic affiliate of Yale University School of Medicine and a member of the Yale New Haven Health System.

Dr Acker is board-certified in paediatrics by the American Board of Pediatrics. The ABP is an independent, nonprofit organization whose certificate is recognized throughout the world as a credential signifying a high level of physician competence.

Dr Acker is a Fellow of the American Academy of Pediatrics (FAAP). The title FAAP may only be used by AAP members in good standing who have obtained initial board certification in paediatrics or a surgical specialty board.

Dr Acker earned his medical degree from the Sackler School of Medicine. He then went on to complete his residency in paediatrics at New York University Medical Center, followed by his fellowship in ambulatory paediatrics at New York University Bellevue Medical Center.

Paediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. As a paediatrician, Dr Acker examines diagnoses and treats children of all ages with a wide variety of injuries and illnesses. He understands that children change rapidly and they must be approached with an appreciation for their stage of physical and mental development.
