Get to know Internist Dr. Peymon Zarreii, who serves patients in Delray Beach, Florida.

**New York City, Jul 30, 2019 ([Issuewire.com](http://Issuewire.com))** - Dr. Zarreii is a board-certified internist who is currently serving patients at his private practice - Zarreii Medical and Aesthetics - in Delray Beach, Florida. He has been helping men and women in and around Delray Beach look and feel their best since 2005. At Zarreii Medical and Aesthetics, Dr. Zarreii has created a warm and inviting practice where every patient feels valued and empowered to achieve their own personal health goals. From routine screenings and

services to disease management and innovative cosmetic therapies, he provides the highest level of personalized health care for patients from young adulthood well into the golden years.

Dr. Zarreii graduated with his undergraduate degree from the University of South Florida in Tampa before earning his medical degree at St. George's University School of Medicine. At the Brooklyn Hospital Center in New York, he completed his residency in internal medicine at the top of his class.

Over the course of his career, Dr. Zarreii found a passion for helping men and women age gracefully, all the while remaining active and vibrant at every phase and stage of life. He is proud to serve as the Medical Director for both Abbey Delray South and Arden Courts of Delray Beach - two of the region's premier geriatric care communities.

Dr. Zarreii is an expert in noninvasive cosmetic facial rejuvenation procedures. Being an artist and a musician, he incorporates his talent and passion for the arts into his cosmetic procedures. His expertise ranges from liposuction, body sculpting, and fat transfer to simple Botulinum toxin injections, non-invasive rhinoplasty, lip enhancement, scar and deformity correction, platelet-rich plasma, Vampire Facelift, Sculptra, and much more.

Dr. Zarreii is board-certified by the American Board of Aesthetic Medicine (ABAM). The ABAM is the only board of aesthetic medicine in the United States. It was established to provide a standardized pathway for physicians coming from a non-cosmetic background to be certified in aesthetic medicine.

Internal medicine or general medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall wellbeing. As an internist, Dr. Zarreii is able to make important connections between a patient's family history, symptoms, lifestyle, and risk factors for certain conditions.
