

Privilege Beauty Salon Opens New Branches in Patna

Privilege Beauty Salon, one of Patna's most popular salon studios opened new beauty clinics in the city.

Patna, Jul 2, 2019 ([Issuewire.com](http://www.Issuewire.com)) - It is the dream of many women to get their bridal makeup done at a salon where celebs go. In Patna, there are not many such parlors that get celebrities from the city or outside. Only a handful with unspoiled reputation holds that right. The name of one of those high-end salons is Privilege Beauty Solution. Own and run by Poonam Murari, a decorated and veteran [makeup artist in Patna](#), the salon is where cosmetic transformation takes place. From dinner dates to photo ops, weddings to shootings, the salon offers makeup services of all kinds.

In Patna, the salon already has a huge presence. It started as a beauty salon in the city with the name of Poonam Murari attached to it. Soon, customers started to grow. More services were launched, more packages were designed, more makeup artists were brought in, but soon it became clear that to cater to the present customer base, they need to have a second setup. So, from one, the salon became two, and now it's officially a chain in Patna. Within the city, Privilege Beauty Solution is present in four different places.

The salon has branches in Raja Bazar, Borunda, Saguna More and on East Boring Canal Road. The one in Borunda is a Schwarzkopf Salon & Academy while the others are all Shahnaz Hussain and L'Oréal Professional parlors and salons. With its branches in different parts of the city, Privilege Beauty

Solutions is now catering to a very wide base of clients settled in far and remote parts of the city. With opening new franchises, Poonam Murari has also launched a host of new features that show in the catalogs of all its salons.

At this point, the salon has 12 different makeup packages, each designed to cater to a customer of a certain type. Bridal makeup appears at the top of the list. The salon made a name for itself as a bridal makeup salon before introducing other kinds of services. Now it has services like airbrush makeup, MAC makeup, HD makeup, engagement makeup, pre-bridal makeup, wedding makeup, party makeup, commercial makeup, reception makeup, celebrity makeup, and professional makeup. That's only a part of the bigger catalog. While all that appears under the Makeup section, the salon brings to its customers a range of other services like skin treatments, hair treatments, facials, waxing, bleaching, manicure, detan, oxygen therapy, dress draping, and sundry other ones.

Privilege Beauty Solution is not just a beauty salon, it is also an academy where people come to study makeup, styling and such things. There are three types of courses that are taught at this academy, namely, skin care, makeup and hair styling. Aside from Poonam Murari who is an exceptional [bridal makeup artist in Patna](#), the salon has on-board some very fine makeup artists who come from different parts of India.
