

SakarMarbo Offers First Grade Digital Glazed Vitrified Tiles

SakarMarbo, a pioneering vitrified tile company in Morbi renders top-notch digital glazed vitrified tiles at affordable prices.

Ahmedabad, Jul 11, 2019 (Issuewire.com) - SakarMarbo, India's fastest growing [vitrified tile company in Morbi](#) offers a whole new range of digital glazed vitrified tiles at attractive rates. They have a track record of offering cutting edge tiles which are trendy and classy. Keeping up with the latest trends and technological developments is their hallmark and digital glazed vitrified tiles are no exception either.

Digital glazed tiles by **SakarMarbo** are manufactured using digital printing technology. Single layer tiles are hydraulic pressed under quite high temperatures for enhanced durability and printed later on.

Talking about the manufacturing of tiles, a spokesperson from SakarMarbo said, "We have a state-of-the-art tiles manufacturing facility and we leverage technology to manufacture top-notch tiles. We have earned the repute of the best [pgvt tile manufacturer in Morbi Gujarat](#) as we offer a variety of attractive designs and prints catering to unique requirements of customers. We use high-quality ink-jet printers and a wide array of art forms which are printed on the tiles."

What Makes SakarMarbo's Vitrified Tiles a Cut Above the Rest?

SakarMarbo provides tiles in various finishes and textures. From Lapato to Sugar, Matte and Rustic you are spoilt for choices while buying digital glazed vitrified tiles from them. A spokesperson said, "Since the digital prints are crafted on glaze coating, a plethora of aesthetic designs can be developed." SakarMarbo's tiles have nano metal coating as well, which makes the tiles resistant to wear and stain in equal measures. These tiles are easy to clean due to their high wear resistance and are anti-bacterial.

Team SakarMarbo said, "Tiles manufactured by us are apt for residential and commercial applications both. Commercial spaces usually have heavy foot traffic and our tiles are made to endure it very well. Besides, a variety of designs and colours mesh well with a variety of interiors. Today we are trusted [pgvt tiles manufacturer](#) for hundreds of suppliers across India. We strive to deliver nothing but the best and our streamlined process helps us achieve excellence."

As a leading **vitrified tile company in Morbi**, SakarMarbo is known for cost-effective and durable tiles that add appeal to your house as well as office spaces.
