Toronto Music Artist Ferreira keeps the energy flowing with huge passion in his latest playlist 'Mercury' that beautifully shows his unique taste in music.

Toronto, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - **Ferreira** creates an engaging ambiance with his free-flowing honest lyrics in his latest release. He has a deep voice that mixes the genres of pop and R&B which is beautifully presented in the song. As he sings along the rhythm, you feel his passion for music and the song certainly hooks you with its interesting tune. His tracks are intimidating and full of energy with a combination of hardcore electronic sound and R&B feels. The tracks are both appealing and endearing as he gracefully sings along the melody. The [Toronto Music Artist](#) is a singer and songwriter with slightly different directions but yet a very professional artist who composes enjoyable and engaging tracks. His mesmerizing vocal throw is sure to win hearts with its impeccable grip on the lyrics. The songs are memorable and go on to become one of your favorites with perfect melodies, cool nonchalant singing, and a great groove.

Ferreira proceeds to offer a stunning performance in his recent playlist '[Mercury](#)' that shows a certain level of vulnerability. The tracks kick in with a thunderstorm effect, hooking the listener to its unpredictable sound. Few songs from the playlist like 'Intro/This can't be life', 'SFG', 'Shadow', and 'Done' creates a mysterious effect with its random groove. The songs flow smoothly with highs and lows throughout thus, creating a rhythmic movement of musicality. The beat is mellow and the mood is chilled. Soon his voice takes over the scene with charge and purpose. He proceeds to offer deep and genuine feelings with meaningful lyrics delivered through his significant voice. The songs progress steadily with drum beat playing in the background and finish on an uncertain note. Undeniably it's a crowd impressing track with real influencing voice.
