

Unique Raw Stone Jewelry from Raw Carat

Exclusive Luxury Raw Stone Jewelry at Affordable Prices

Bengaluru, Jul 31, 2019 (Issuewire.com) - [Raw Carat](#) presents a unique collection of handcrafted Raw Stone Jewelry at affordable prices.

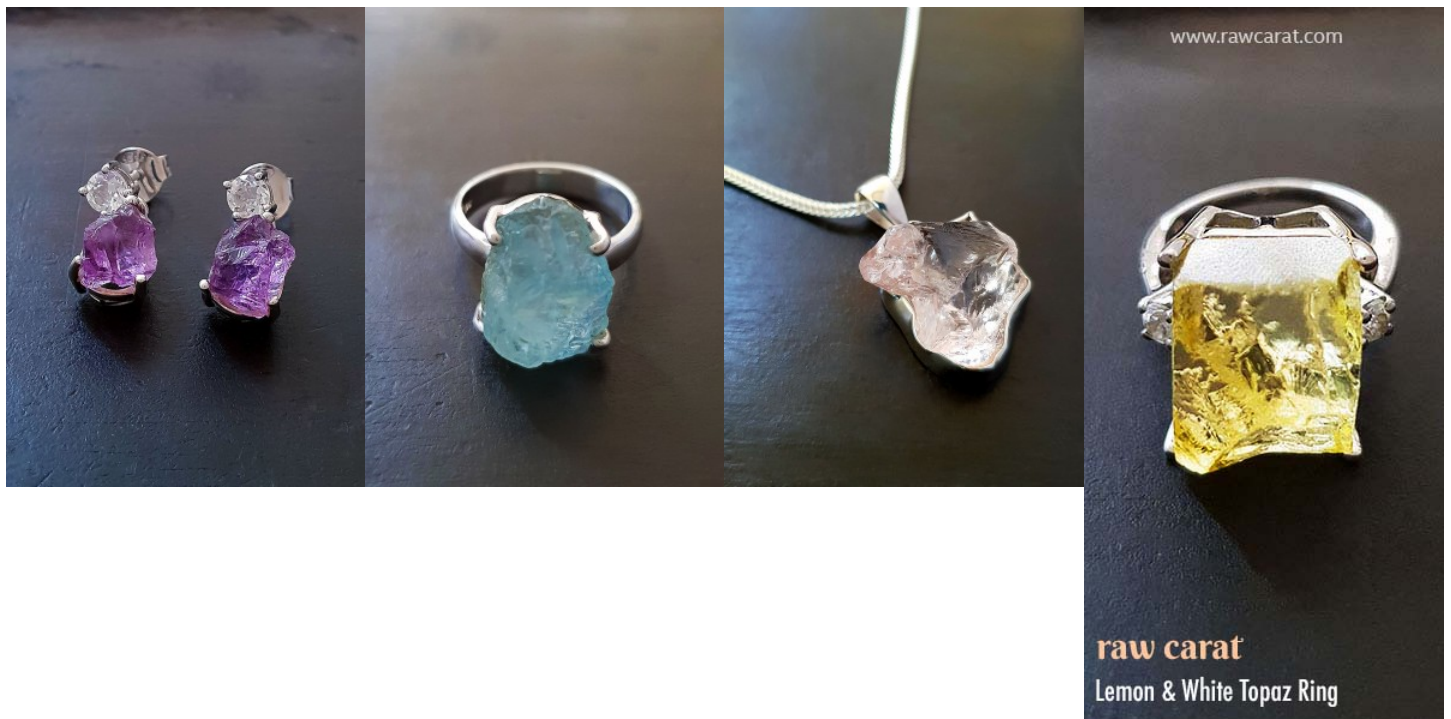

Created by highly skilled artisans, an exclusive range of rings, pendants and earrings made from sterling silver with handpicked, high-quality gemstones have been crafted for the self-made women of today. This collection, created in small batches, with utmost care and love, are made available at very affordable prices.

Raw Carat's mission is to convert nature's treasures into wearable art and make women's heart beat a bit faster with an extensive [collection of stunning designs and gorgeous gemstones](#), which capture all the beauty of nature's bounty.

Each stone is handpicked for colour and clarity but having all the inclusions and perfect imperfections as nature intended. Anchored in solid sterling silver, the designs are minimalist and contemporary to appeal to modern women around the globe. These pieces can be worn to work, to a celebration, while travelling or simply to lounge at home.

Small wonder, in a few short months, the Raw Carat collection has already adorned beautiful women from Canada to the United States, to the United Kingdom, India, Cambodia and Australia.

They say seeing is believing! So, to be awed by the Raw Carat collection, just log on to www.rawcarat.com
