

# **Unveiling the Recent Trends and Advancements of Lasers, Optics and Photonics-2019**

Optics and Photonics-2019

# OLCOPC-2019

## International Optics and Photonics Conference

December 9-10, 2019 | London, United Kingdom

### Theme:

"Join us to Present your Cutting-edge Research Work in Optics & Photonics"

As we have already opened our registration booking, confirm your speaker slot by submit you're abstract and by registering the conference at

### our website:

<https://outlookconferences.com/olcopc-2019/index.php>

### Registration link:

<https://outlookconferences.com/olcopc-2019/registration.php>

## Speakers

**Dr. Victor V Apollonov**

Laureate of USSR and General Director of JSC EnergoMashTechnika, Moscow

**Dr. Shixiang XU**

Professor at Shenzhen University, China

**Dr. Soumen Ghosh**  
**Soumen Ghosh**

Professor at Indian Institute of Technology Madras, India

**Mark Lecson**

Reader in Communication Systems Warwick University, UK

**Dr. Levrina Bredon**

CNRS Senior Researcher  
Institute of Materials Science of Mulhouse, France

**Dr. Ozgur Adiguzel**

Professor at Fırat University, Turkey

**Dr. Fei Wei**

Professor at Shanghai Institute of Optics and Fine mechanics, China

**Dr. Nouridine IDBOUFKER**

Professor at Cadi Ayyad University, Morocco

## Conference chair

**Dr. Victor V Apollonov**

Laureate of USSR and General Director of JSC EnergoMashTechnika, Moscow

### Venue:

Renaissance London Heathrow Hotel,  
Bath Road Hounslow, Tw62aq, London,  
United Kingdom

**London, Jul 21, 2019 ([IssueWire.com](http://www.IssueWire.com))** - International Optics and Photonics Conference-2019 will provide a wonderful forum for you to refresh your knowledge base and explore the innovations in Optics and Photonics. **Outlook conference** will be hosting **International Optics and Photonics Conference** this year. This exciting event is scheduled on **December 9-10, 2019** at **LONDON, UK**, strives to bring many Prominent Speakers, Renowned Scientists, Professors, Deans, Surgeons, Physicians, Medical and Industrial Professionals, Young Researchers, Student Delegates and Business Delegates, along with information-packed Workshops, will fill the agenda.

This conference offers good opportunities for the researchers and delegates to exchange new ideas, and to establish research and/or business links, as well as to build a global partnership for potential collaboration. We sincerely hope that the conference will help advance knowledge in relevant scientific and academic fields.

We sincerely hope that this serves as an international platform for meeting researchers from around the world, widen professional contact and create new opportunities, including establishing new collaborations.

We are looking forward to seeing you at **OLCOPC-2019** in **London, UK**.
