

Announcing India's first Online Diversity Summit

Chennai, Aug 22, 2019 (IssueWire.com) - Location - www.onlinediversitysummit.com (virtual summit)

Date - September 6th - 7th, 2019

Kelp HR has been working since 2013 to provide the best HR solutions to various organizations across different verticals. One of our nice services is **Diversity and Inclusion**, where we are constantly working with organizations to build a culture of diversity in their DNA that encompasses Gender Sensitization, bridging the gaps between Gen X and Gen Y, Everyday Unconscious bias at work and Inclusive hiring for recruiters.

As part of this, we are happy to host India's first Online Diversity Summit where 20+ thought leaders and industry experts will speak about the latest trends in Diversity & Inclusion and the best practices. These videos plus a consolidated ebook will be available for free to all subscribers who register at www.onlinediversitysummit.com

This summit will be useful for

CEOs can learn how to lead their organizations into the future by managing diverse talent through world-class strategies, guidelines, and practices shared by global experts. HR Heads can discover how to unleash the latent potential of their workforce by leveraging their diversity through insights about inclusive programs and trends by D&I thought leaders. Diversity Champions can strengthen their role as a Champion who is influencing the change in corporate landscapes, by understanding more about path-breaking D&I strategies.
