Aria AV Rentals Las Vegas Warehouse

Aria AV Rentals announced today that they have expanded national capabilities with a new Las Vegas warehouse. The new warehouse is located at 4460 West Reno, close to the city's major event venues.

In addition to a full range of AV equipment, Aria will be offering quick-set kiosks, counters, and chairs for events. Aria's kiosks are pre-built and designed to save customers drayage and logistics costs. The kiosks are fully brand-able with accessible enclosures for computers and laptops.

"We are truly fortunate to have the best customers in the world. For the last eight years, we have been traveling frequently to Las Vegas for events. Our enhanced production facilities in Vegas will allow us to further our singular goal: to have the best customer service in the rental industry-bar none." - Niraj Jain, CEO of Aria AV.

"We are thrilled to announce our Vegas expansion. Due to industry-wide changes, we see an ever-increasing need for fast customer response. That is Aria's forte nationally. We plan to continue that in Vegas from RFP to strike." -Kraig Shetler, GM Aria AV Las Vegas

In conjunction with Aria's Chicago headquarters, the Las Vegas facility will operate utilizing Flex Rental Solutions ERP. Inventory will mirror Chicago and include LED Tile Rentals, Monitor Rentals from 32" to 100", Touchscreens, Laptops, iPhones, WIFI Routers & Copiers. Custom computer imaging and pre-loaded APPS will continue to be offered to all Aria customers.

"I am extremely excited for our Aria family and customers. Without their determination and loyalty, this expansion would not have been possible." – Niraj Jain
