

Chanson Voice & Music Academy Drum Circle Class with Devin Tomczik

September 22nd – November 10th

Saint Paul, Aug 25, 2019 (IssueWire.com) - [Chanson Voice & Music Academy](#) announces a new group class offering by Hand Drum & Percussion Instructor Devin Tomczik for anyone and everyone interested in learning hand drums and having fun.

A drum circle is a group of people coming together to play drums of various types for the purpose of enjoyment, community, relaxation, and expression. Not only are they a direct way to feeling and expressing joy, but research also shows that drumming in collective settings can reduce stress and increase well-being.

In addition to learning about the types of music and instruments participants are playing, drum circles can be a wonderful and safe way to meet new friends and share fun experiences with old ones. We encourage friends and family members to drum together and to bring along new members from their communities to share in this traditionally sacred activity.

Bring your hands, your hearts, your voices, and your drums if you have them. Otherwise, drums will be provided.

A Drum Circle & More

This class is for anyone and everyone interested in learning about hand drums and having fun!

- Learn basic terms, techniques, and rhythms
- Understand how to keep time and solo in a group setting
- Play on authentic instruments (Afro Cuban, Latin, and Middle Eastern drums)
- Feel confident in your ability to pick up a drum and play with others
- JAM! Feel the groove!
- Make New Friends
- Great prerequisite for private lessons
