

Dr. Chen, DDS, a General & Cosmetic Dentist with DentalHome

Get to know General & Cosmetic Dentist Dr. Chen, who serves patients in Duluth and Commerce, Georgia.

New York City, Aug 8, 2019 (Issuewire.com) - Dr Chen is a general & cosmetic dentist who is currently serving patients' dental needs at DentalHome in Duluth and Commerce, Georgia. At DentalHome, patients have access to general dentistry, pediatric dentistry, cosmetic dentistry, and emergency dentistry. The team of professionals working there strive to personally welcome each

patient, treat them with respect, and work with them as a family in their ongoing dental care. Patients of all ages are welcome - from an infant's first dental visit to the ongoing needs of retired adults.

Dr Chen has practised dentistry since 2010, however, she has been around dentistry most of her life, initially discovering her passion for the field in the dental office her mother managed. She provides all aspects of dental care with a special interest in oral surgery and dental implants. She is also dedicated to providing the best quality of care for her patients, ensuring they receive prompt and painless treatment for all of their dental needs.

Dr Chen was born in Taiwan but grew up in Macon, Georgia. In 2010, she earned her Doctor of Dental Surgery degree from the prestigious New York University. She then went on to complete her general practice residency at Coler-Goldwater Specialty Hospital in New York City.

Dr Chen is a member of the American Dental Association, the Georgia Dental Association, the International Congress of Oral Implantologists, and the Academy of General Dentistry. In 2016, Dr Chen and her husband, Ken Cheng, DDS, returned to their home state and opened dental offices in Commerce and Duluth. They have two beautiful daughters, Baylee and Zoey, and fur-baby named Mojo. In their spare time, they enjoy travelling and spending time together with their family.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general & cosmetic dentist, Dr Chen has the skills needed to complete an array of commonly performed dental procedures that are simple or complex in nature.
