

Get into the Party Mood with the Awesome Beats of the Latest Releases of Sailor Sam

Artist Sailor Sam breathes magic into his creations with his awesome sense of musicality and passionate vocals. His latest songs are setting the dance floor on fire.

Tempe, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - **Sailor Sam** keeps the buzz at a high level with a touch of creativity in his tracks 'Bad Bytch', 'Dem Drugs', and 'My X'. His expressive and intense vocal style drives the mood of the tracks. The track's superb production allows it to sweep away the listener. The vocal delivery of **Sailor Sam** reignites the passion and energy that keeps in line with the mood set by the initial moments. The voice of the artist is confident and stylish and has something which is quite easily recognizable. The brilliant arrangement of the tracks paves way for something catchy and engaging.

All the tracks are filled with strong words that uplift the energy of the track. **'Bad Bytch'** has incredible bars present within the soundscape that helps to impress the audience. The track doesn't hide behind loud music or unwanted noises. It delivers what is necessary for a track to be a party anthem. **'Dem Drugs'** holds on to dark vibes that is a little away from the mainstream music but again manages to utilize the backdrop brilliantly. The artist delivers the track with a quick pace and a freer rhythmic sound. In addition to these, the song **'My X'** gets the listeners' minds from the very start and carries on with it until the very end. It becomes more captivating with each new listen.

The tracks add intensity to the party mood. The element that stands out tall in all the tracks is the vocal performance of the artist. Also, the set up of the tracks is quite intense and attention-drawing. Each beat has been crafted with professionalism and just adds to the already elevated level of the sound. You can tune in to Spotify to listen to more of his tracks. Also, you can follow him on [Instagram](#) and [Facebook](#) for all the latest updates about him.
