

# Heavy Electro House Vibes in Dj Triple M's Soundscape is a Blingy Affair of Rhythmic Themes

Dj Triple M's eccentricity brims in his boisterous rhythmic pieces that tell thematic stories of their own with a contemporary musical vibe adorning their edges.

Electro 45

**Chicago, Dec 31, 1969** ([IssueWire.com](http://IssueWire.com)) - A rhythmic splendor that traverses across the various sound verses of his songs; **Dj Triple M** truly is a man of sound modulations. His singles '**Break**', '**Blue Line**', '**Purple Line**', and '**Brown Line**' do not only compel the audience to get up and jive their worries away but also instills a sense of clarity. The rhythmic structures of Dj Triple M's song list

have their prominence that exemplifies electro house and EDM trap definitions in practice.

Hailing from Chicago, Mike Rosenburg or **Dj Triple M** started going about with his spinning hands back in high school in '95. His exposure grew with time and numerous inter-city gigs before he wore the shoes of a successful DJ once again. His biggest inspiration and impetus to pursue his dream career is his wife who persuaded him to create once again after a long break with a Machine Mikro gift. There has been no looking back since and now he is the proud owner of the production label **EI3KTR0 45** that does not just produce his songs but also gives a creative platform to upcoming artists.

**Dj Triple M** is already an album and numerous songs old and some of his other singles like '**Bruhrakka**' or '**Nite Sky**' are considered the face of the modern-day EDM extravaganza. A revamp of his album by the name **Chicago "L"** Deluxe Edition and an untitled house project is already in line for release as he continues to spread the joy of musical greatness. Follow him on his [website](#), [Spotify](#), [Soundcloud](#), [YouTube](#), [Facebook](#), [Twitter](#) and [Instagram](#) to be a part of this creative splendor.
