Sacramento, Aug 5, 2019 (Issuewire.com) - Markdabeast1 is one model who is taking desperate steps to prevent on-line scamming, he recently slammed musician **Sulaimon Alao Adekunle** for using his verified account to market a scamming business.

Malaika recently directs messaged markdabeast1's friend Neyleen Ashley aka **Neybronjames** a popular model claiming that he knew someone that could get her verified for a fee, the account he documented was a freshly created scam account that's believed to be created by musician **Sulaimon** himself, Neyleen then messaged Mark and told him regarding things.

Mark convinced her that one thing didn't appear right and it absolutely was criminality don't trust him", he then took steps additional by reporting the account as spam it was later removed by Instagram, when account was deleted by Instagram, friend Neyleen then sent mark another message of musician telling her that the spam account had been compromised which she may contact the deleted user via WhatsApp.

Mark took an additional step by sending direct messages to Instagram workers and reporting the matter of the ongoing situation, he then confronted the musician about his actions.
