Get to know Dentist Dr. Nila Nosrati, who serves patients in North York, Ontario.

New York City, Aug 6, 2019 (IssueWire.com) - Dr Nosrati is a dentist who is affiliated with Underhill Dental in North York, Ontario. Since 1963, Underhill Dental has proudly served multiple generations of patients in the Don Mills & Lawrence community. As a result, they have been dubbed, “The Neighbourhood Dentist.” With a focus on preventive care and patient education, the dental professionals at Underhill Dental can help each patient keep their smiles healthy and strong for life. When restorative treatment is necessary, they recommend a conservative approach that provides the

longest lasting results.

“The Underhill Dental team is the foundation for our success. They each have a personal relationship with every patient based on respect, empathy, and compassion. Our team is positive, happy, upbeat, and professional. We are all committed to treating our patients like family and helping each to achieve their smile dreams. You’ll not find a more kindhearted group of people anywhere!” as stated by Dr Nosrati.

Dr Nosrati takes great pride in helping her patients maintain and improve their oral health. She believes that dentistry is a great combination of making positive contributions to someone’s health while being able to interact and meet new people. Every day, Dr Nosrati helps people learn about their oral health, empowers them to take control of it, and ensures that they achieve the radiant smiles they desire.

Dr Nosrati graduated from York University with her Bachelor of Science degree in biology. She then went on to earn her Doctor of Medicine in Dentistry degree from one of the most prestigious and challenging dental schools in the world, Case Western Reserve University

“Dentistry is a daily practice and there’s always something new to learn. The field is constantly evolving and I am committed to remaining current on changes through continuing education. I’ve completed postgraduate courses in Invisalign®, implantology, periodontic and endodontic care, oral surgery, and cosmetic and pediatric dentistry” as stated by Dr Nosrati.

Dr Nosrati is an active member of several dental organizations, including the Canadian Dental Association, the Ontario Dental Association, the Canadian Academy of Restorative Dentistry and Prosthodontics, the American Dental Association, the American Academy of Cosmetic Dentistry, and the Academy of Advanced General Dentistry. These memberships allow her to learn from the leaders in oral healthcare through continuing education and provide her with access to multiple refereed journals and other publications that discuss treatment modalities and advanced techniques.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. To Dr Nostrati, dentistry is so much more than treating teeth, it is about building connections, educating people about the interplay between the health of their body and their mouth, as well as helping them achieve wellness. It is about changing her patients’ lives one smile at a time.

Dr Nosrati is a native of Toronto and the youngest of two sisters. Her sister is her best friend and number one supporter. In her spare time, Dr Nosrati loves cooking, painting on canvas, and losing herself in a book. She is passionate about health and fitness, yoga, and tennis.
