New York City, Aug 15, 2019 (Issuewire.com) - Dr. Douglas is a general & cosmetic dentist who is currently serving patients' dental needs at his private dental practice, Douglas Family Dentistry in Arizona. Douglas Family Dentistry is dedicated to optimal patient care and satisfaction. Since its formation, the practice has grown to include two doctors of dentistry and a superb professional team. The practice has always remained true to its foundational principles of always providing excellent patient care, innovative techniques, and community support. Part of providing excellent patient care is creating an environment where patients are making informed decisions and taking an active role in their dental care. That is why Dr. Douglas and his team of professionals encourage not only new, but also existing patients to schedule a complimentary dental consultation for any procedure they are considering.

A graduate of the USC Dental School, Dr. Douglas remains committed to continuing education. He has logged thousands of hours of post-graduate work to consistently provide outstanding patient care. Always a supporter of state-of-the-art techniques that improve the patient experience, he has created a practice that delivers a spectrum of dental services in an inviting, professional, and caring atmosphere.

An Arizona native, Dr. Douglas has made it a cornerstone of his career to give back to the community. From founding the Scottsdale Boys and Girls Club Dental Outreach and participating in the Crown Council/ Smiles for Life program, to supporting Gabriel's Dream—the Lost Boys of Sudan, Dr. Douglas' dedication has changed numerous lives for the better.

Dr. Douglas is a member of the American Dental Association, the Academy of Cosmetic Dentistry, the Central Arizona Dental Society, and the Crown Council. He is also a Fellow of the Academy of General Dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general & cosmetic dentist, Dr. Douglas has the skills needed to complete an array of commonly performed dental procedures that are simple or complex in nature.
