

Priyadarshini S. Ranbhise, MD, an Internist with United Regional Health Care System

Get to know Internist Dr. Priyadarshini S. Ranbhise, who serves patients in Wichita Falls, Texas.

New York City, Aug 28, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Ranbhise is a board-certified internist who is affiliated with United Regional Health Care System in Wichita Falls, Texas. United Regional Health Care System provides comprehensive medical care including inpatient and outpatient services, advanced diagnostics, surgical specialties, and life-saving emergency care to a nine-county service area. It has the area's only Level II Trauma Center and serves as the Primary Stroke Center for the region. United Regional's passion is to provide excellence in health care for the communities it serves. To accomplish this passion, the System continues to reinvest in advanced technology, modern facilities, and the recruitment and retention of highly skilled employees and physicians to ensure that the current and future medical needs of the area are met.

Dr. Ranbhise is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Dr. Ranbhise earned her medical degree from Topiwala National Medical College in Mumbai, India in 1998. Upon relocating to the United States, she went on to complete her residency at St. Joseph Mercy Oakland in Pontiac, Michigan.

Dr. Ranbhise is a member of the St. Clair County Medical Society. The purpose of the St. Clair County Medical Society is to promote the science and art of medicine and the betterment of public health.

Internal medicine or general medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
