New York City, Aug 15, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Alsaleh is a dentist who is currently serving patients' dental needs at Montrose Advanced Dentistry in Texas. Montrose Advanced Dentistry has provided personalized dental care for thousands of families. The team of dental professionals working there pride themselves in offering a variety of services and using cutting-edge equipment and techniques, thereby allowing them to detect dental concerns at early stages, treat oral health needs with precision, as well as provide stunning and customized restorations.

Dr. Alsaleh has been practicing dentistry in Houston for the past two years and enjoys getting to know his patients and the people of Texas. His ultimate goal is to help his patients and the community reach optimal oral and overall health. He does so through the cutting-edge, patient-focused care that he provides.

Dr. Alsaleh was born and raised in Damascus, Syria. He moved to the United States when he was 23 to seek higher education. He attended dental school at UAB School of Dentistry in Birmingham, Alabama. In his spare time, Dr. Alsaleh enjoys biking, playing basketball, and spending time with his family and friends.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
