

Sean Pierce, DDS, a General & Cosmetic Dentist in Private Practice / Pierce Aesthetics

Get to know General & Cosmetic Dentist Dr. Sean Pierce, who serves patients in Newport Beach and Tustin, California.

New York City, Aug 22, 2019 (Issuewire.com) - Dr. Pierce is a general & cosmetic dentist who is currently serving patients' dental needs at his private dental practice in Newport Beach, California. There, he and Dr. Douglas Hauck are proud to provide solutions to all of the patients' dental needs at one exclusive location. Their goal is to provide the highest standard of care with compassion, the latest technology, and careful attention to detail.

Dr. Pierce is also serving patients' dental needs at his other private dental practice, Pierce Aesthetics in Tustin, California. Pierce Aesthetics combines a phenomenal dental team with the power of cutting-edge dental technology in the service of patients' health and well-being. The dental practice has the state-of-the-art dental technical equipment to provide the best present-day treatment in dental services such as orthodontics and implantology.

In addition to general and cosmetic dentistry, Dr. Pierce's expertise includes implant placement and restoration, sedation dentistry, oral surgery, and TMJ disorder treatment. He has published his research on TMJ disorders and treatment multiple times in research journals.

Dr. Pierce is passionate about patient care and building lasting relationships. His commitment to patients is driven by the effects that a beautiful smile can have on their lives. He has made it his highest priority to continue his education in order to provide premier dental care to his patients.

Dr. Pierce earned his Doctor of Dental Surgery degree from Marquette University in 2016. He made the Dean's list every semester throughout dental school and then graduated magna cum laude. He then moved to Los Angeles to attend UCLA School of Dentistry for a one-year postgraduate training program in oral and maxillofacial surgery.

Dr. Pierce is a member of several professional organizations, including the American Academy of Cosmetic Dentistry, the American Academy of Implant Dentistry, the American Dental Association, the Orange County Dental Society, the California Dental Association, and the International Team for Implantology.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general & cosmetic dentist, Dr. Pierce has the skills needed to complete an array of commonly performed dental procedures that are simple or complex in nature.
