As part of her commitment to further her education, Dr. Vakilian is a member of dental associations devoted to the continued education of dentists. She is a member of the San Diego County Dental Society, the California Dental Association, the American Dental Association, the American Academy of Cosmetic Dentistry, the Academy of General Dentistry, and the Osteoready Implant Club.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general dentist, Dr. Vakilian diagnoses and treats dental issues, as well as helps patients to develop better oral health regimens.

Dr. Vakilian is fluent in Farsi. In her spare time, she enjoys traveling with her husband and trying new foods from different parts of the world. She also enjoys cooking, listening to music, hiking, and spending time with her family. She is an avid dog lover and loves spending time with her terrier, Cuspid.
