

The Midwood Condo by Hong Leong

A new condo launch in Hillview

Singapore, Aug 8, 2019 ([Issuewire.com](http://www.issuewire.com)) - **The Midwood** is a new residential launch in Q4 2019. [The Midwood](#) is a 99 years GLS by renowned developer Hong Leong Holdings. [The Midwood Condo](#) is expected to have 535 residential units. There are 1-bedroom to 5-bedrooms to select from with most units having a vantage views of the unblocked greenery from nature or the facilities. [The Midwood showflat location](#) is next to the actual site, which is a short 5-minutes walk from the Hillview MRT station. Potential purchasers are those few who enjoys nature yet wants to stay close to the city. [The Midwood prices](#) is unpublished yet but is expected to be in the range of \$1,800 psf or slightly lower with this development heavily build up on PPVC. Comparitively there is [Verdale condo](#) on Jalan Jurong Kechil and [Dairy Farm Residences](#) on Dairy Farm. Contact the new Singapore residential launch at 6100 3447 or visit <https://www.condolaunchsg.com/properties/the-midwood-condo/> for more information on The Midwood by Hong Leong.
