Launched in 2019, the Canada's Top Growing Companies ranking program celebrates entrepreneurial achievement in Canada by identifying and amplifying the success of growth-minded, independent businesses in Canada. In total, 400 companies made the ranking this year. The full list of 2019 winners,

and accompanying editorial coverage, is published in the October issue of Report on Business magazine—out now—and online at tgam.ca/TopGrowing.

“We created the Canada’s Top Growing Companies program because we believe there is much Report on Business readers can learn from the successes of the country’s best entrepreneurs,” said Derek DeCloet, Editor of Report on Business and Executive Editor at The Globe and Mail. “We’re excited to be telling their stories.”

“The 400 companies on the inaugural Report on the Business ranking of Canada’s Top Growing Companies demonstrate ambition, innovation, and tremendous business acumen,” said Phillip Crawley, Publisher, and CEO of The Globe and Mail. “Their contributions to the economy help to make Canada a better place, and warrant commendation.”
