

Buller, DDS & Christina M. Kulesa, DDS, General & Cosmetic Dentists with Northstar Family Dental

Get to know General & Cosmetic Dentists Dr. Brooke H. Buller & Dr. Christina M. Kulesa, who serve patients in Ohio.

New York City, Sep 18, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Buller and Dr. Kulesa are general & cosmetic dentists who are currently serving patients' dental needs at Northstar Family Dental in Westerville and Lewis Center, Ohio. As an award-winning, all-female dental practice, Northstar Family Dental strives to provide the highest quality, comfortable, and comprehensive care with a strong focus on prevention and education. Dr. Buller and Dr. Kulesa treat every patient as an individual and always act with the patients best interest in mind. Outside of the office, they are passionate about making a positive impact on Westerville, Lewis Center, and surrounding communities. As a team, they are heavily involved with local charitable organizations, nonprofits, and school districts.

Dr. Brooke H. Buller:

Dr. Buller joined the Northstar Family Dental practice in 2012. She has been a passionate and positive leader to the team ever since. Dr. Buller attended The Ohio State University, where she first earned her Bachelor of Arts degree in History, followed by her Doctor of Dental Surgery degree from the Ohio State University College of Dentistry.

Professionally, Dr. Buller develops lasting friendships with her patients while providing exceptional care. She is dedicated to providing each patient with treatment based on the most current research. Dr. Buller is a member of the American Dental Association, the Ohio Dental Association, the Columbus Dental Society, the Capital City Dental Forum, and the Academy of General Dentistry. Additionally, she holds specialized certifications in Botox® and Invisalign®.

In her spare time, Dr. Buller enjoys reading, practicing yoga, as well as practicing playing the piano. She also enjoys the Columbus Metro Parks with her two dogs, Rosa and Kenzie.

Dr. Christina M. Kulesa:

Dr. Kulesa opened the doors of Northstar Family Dental in 2010. Inspired by the negative stigma that is often associated with a trip to the dentist, she has built the practice around the philosophy that oral health and cosmetic dentistry can be maintained in a comfortable, relaxing, and even enjoyable environment.

Born and raised in Northeastern Ohio, Dr. Kulesa earned her bachelor's degree in Natural Sciences from Xavier University and went on to graduate top of her class from Case School of Dental Medicine, where she earned her Doctor of Dental Surgery degree. She was actively involved with the American Student Dental Association, on both a local and national level, holding a national trustee position for two years. She was also inducted into the Omicron Kappa Upsilon National Dental Honor Society - an organization that represents the highest achievements in dental scholarship, professionalism, and ethics.

Dr. Kulesa has devoted her professional career to all aspects of general and cosmetic dentistry. She enjoys treating every member of a family, from children to grandparents. To keep abreast of the latest developments in dentistry, she exceeds the continuing education requirements of the profession. In order to better serve her patients, she completed an extensive sedation training program to become certified by the Ohio State Dental Board to perform both oral and IV sedation in her office.

Dr. Kulesa is a member of the American Dental Association, the Ohio Dental Association, the Columbus Dental Society, and the American Academy of Facial Esthetics. She is also an Invisalign Preferred Provider. Dr. Kulesa is an annual speaker at the Ohio State University College of Dentistry in Columbus, Ohio.

Dr. Kulesa is the proud recipient of the Dr. Jeffery M. Gibbs Memorial Excellence in Dentistry Award by the Dental Network Group. She is passionate about her involvement in the community and is an active participant in a number of Westerville organizations and charities. As a result, she has been recognized as one of Sunny95's "Outstanding Women" in Columbus and as a "Hometown Hero" for her role as a female entrepreneur advocate and her charitable work in the community. She has also been honored by Smart Business Magazine as one of the top executives of the smartest 50 companies in the region for their ability to effectively build and lead savvy organizations. Furthermore, Dr. Kulesa has been named as a "Top Dentist" by her peers every year since 2014.

Dr. Kulesa enjoys playing tennis and traveling. She spends most of her spare time with her husband, Steve, their two daughters, Sophia and Stella, and their adorable Pugs, Frankie and Rosie.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As general & cosmetic dentists, Dr. Buller and Dr. Kulesa have the skills needed to complete an array of procedures that are both simple or complex in nature.
