

Dr. Jaime Strachan, MD, FACS, a Vascular Surgeon with The Vascular Experts

Get to know Dr. Jaime Strachan who serves patients in Connecticut.

New York City, Sep 26, 2019 (Issuewire.com) - Board-certified General and Vascular Surgeon Dr. Strachan have the training, education and experience to ensure quality care for the complex issues associated with arteries, veins and lymphatic circulation. His focus is on the diagnosis, prevention and treatment of vascular disease by performing angioplasty, endovascular surgery, sclerotherapy as well as minimally invasive surgical procedures.

Dr. Strachan earned his medical degree from the Superior Institute of Science in Havana, Cuba and trained at the Cuba General Calixto Garcia Hospital also in Cuba. He completed his residency at Waterbury Hospital Health Center, a 357-bed hospital affiliated with Yale University. He gained a fellowship at Stony Brook University Hospital, the largest academic medical center on Long Island with 603 beds for patient care.

Dr. Strachan is certified by the American Board of Surgery in Vascular Surgery and holds a CT State Medical License. Furthermore, he is affiliated with Waterbury Hospital and Saint Mary's Hospital in Waterbury and Griffin Hospital in Derby, CT, he is also a proud member of Vascular Access Society of the Americas and the Society of Vascular Surgery – American College of Surgeons.

Vascular specialists like Dr. Strachan are the only physicians who are trained in the diagnosis, treatment and management of disorders of all parts of the vascular system other than those of the heart and brain. By coordinating care with the rest of a patient's healthcare team, including their primary physician, diabetes doctor or cardiologist, they can help manage common vascular disorders or complex, multifaceted health problems.

Some of the more common conditions that Dr. Strachan treats are aneurysms, hardening of the arteries, blood clots, carotid artery disease and pulmonary embolisms.
