

Erco Travels Launches New Website To Book Luxury Train Tours India For A Rewarding Journey

Luxury Trains in India

New Delhi, Sep 8, 2019 (Issuewire.com) - For those wishing to come across Indian luxury and culture at its best, Erco Travels has launched a new website to book Luxury trains tours. This initiative has brought forth a rare opportunity to scour through the immensely luxury train tours without any distractions. This new website provides detailed information regarding all seven [luxury trains in India](#), the facilities they offer and the destinations covered.

The seven trains; [Maharaja's Express](#), [Royal Rajasthan on wheels](#), Golden Chariot, [Palace on Wheels](#), [Deccan Odyssey](#), Royal Orient Train, and Fairy Queen Express promise to expose the real India. Each of these luxury trains brings to fore the culture and heritage stored in different parts of India all amid boundless luxury. Right from their lavish interiors, ultra-modern equipment to an eclectic range of Indian and global cuisines served onboard, everything promises to create a dream experience for travellers.

Quite unlike regular tours, [Luxury Train Tour India](#) lets you glimpse the finer elements of Indian culture. The interiors of the coaches beautifully represent royal elegance which forms a fairytale ambience for passengers. You get to view a fusion of history and modernity in equal parts once you are inside these trains. The antique furniture blends perfectly with the theme of each luxury coach.

The coaches are furnished with wifi connectivity, library, lounge, dining area and spa facilities to offer a one-of-a-kind journey. The large windows let you wallow in the beauty of every destination covered in

the journey. The excursions included in the tours are well planned to let you reach each place in the best way possible. The incomparable hospitality of staff and guides onboard gets you to witness India's centuries-old tradition which treats like gods.

Apart from the *luxury* facilities, one thing that sets these tours apart is the chance to meet and connect with people from different backgrounds while still enjoying the luxury train ride. The tour also tends to be a more relaxed way of travelling especially for those who are sick of travelling by plane. This slow pace of journey sprinkled with a generous dose of history, culture, and nature helps create a lifetime of memories.

Erco Travels intends to popularize these royal train tours among a wide range of travellers looking to uncover the true spirit of India. You can get all the information you need about a specific train tour by logging into website **www.luxurytrainsfindia.com** introduced
