

Houston Multifamily Investor Vlogs his Journey to 5000 Units

CEO of Gray Spear Capital, Houston based Real Estate investment fund, starts vlogging

Houston, Sep 29, 2019 (IssueWire.com) - Htown Hamza (Hamza Ali) The CEO of Gray Spear Capital, a real estate investment fund with assets over \$50M, is officially on youtube. Hamza is passionate about sharing his knowledge and experience with young entrepreneurs who are looking to get started in the real estate world. He often gets approached by friends and acquaintances who are curious to learn about this ever growing industry. Hamza is a youtube fan and recognized that this medium is perfect for disseminating much needed information and advice. He is using his channel [HtownHamza](#) to document his daily routine which includes site visits and exploratory tours as well as to mentor people and provide a vantage point into the world of commercial and residential real estate in Houston, Texas. In his professional life, Hamza is looking to acquire 5000 units through multifamily acquisitions in Texas by 2020 and will be vlogging his journey to reach this goal.
