

James O. Chauvin, D.D.S., Orthodontist with his Private Practice

Get to know Orthodontist Dr. James O. Chauvin, who serves the population of Clifton Park, New York.

New York City, Sep 19, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. James O. Chauvin is an orthodontist with expertise in Dentofacial Orthopedics. He has been serving the Capital District for over 25 years. His knowledge and the different brackets that he uses set him apart.

Dr. Chauvin holds a Doctorate of Dental Surgery degree. As an orthodontist, he can diagnose and treat malformed teeth and jaw-related conditions, such as overbites and underbites. He provides expertise in straightening teeth and provides advice on braces, aligners, orthodontic headgear, and more.

Dr. Chauvin's patients have excellent experiences with him, one stating. "I've been going to Dr. Chauvin since I was a kid. I am now an adult and I have perfectly straight teeth. I always get complimented on how nice my teeth are. The office staff is very friendly, courteous and professional."

While another stating "The one thing that I really enjoy about Dr. Chauvin is the high level of customer service. Their full attention is always on me and my son and they never take personal calls during our appointment. I appreciated Dr. Chauvin's commitment to wait while my son lost all of his baby teeth. He was not looking to "make a quick buck" but was thorough and patient and didn't rush into any unnecessary work. As a parent, it made me happy to know that he will assess my child's teeth at the correct time and in the right way. Dr. Chauvin has a very nice way about him and the office team is friendly and welcoming
