New York City, Sep 11, 2019 (Issuewire.com) - Dr. Mohsin is a board-certified cardiologist who is currently serving patients at Heart & Vascular Center of North Houston in Tomball and Houston, Texas. Founded by Dr. Mohsin himself, Heart & Vascular Center of North Houston is a premier cardiology practice whose motto is "Heart Care with Compassion". The practice's philosophy is to provide

advanced cardiovascular care utilizing the newest therapies and technologies while maintaining a personal and caring approach with patients. Heart & Vascular Center of North Houston emphasizes greatly on patient involvement and participation in their cardiac care by educating patients on their heart health.

Dr. Mohsin is a Fellow of the American College of Cardiology and a Fellow of the Society for Cardiovascular Angiography and Interventions. He is also a member of the American Society of Nuclear Cardiology, the American College of Physicians, and the American Society of Internal Medicine. Dr. Mohsin is a former Assistant Professor of Clinical Medicine at Weill Cornell Medicine in New York City, New York.

Dr. Mohsin earned his medical degree from the Medical College of Wisconsin in Milwaukee, Wisconsin in 1996. He then went on to complete his internship and residency in internal medicine at the same College, followed by his fellowship in cardiology at the University of Pittsburgh Medical Center in Pittsburgh, Pennsylvania. He also completed a fellowship in interventional and endovascular cardiology at Allegheny General Hospital and Drexel University College of Medicine.

Dr. Mohsin is board-certified in cardiovascular disease and interventional cardiology by the American Board of Internal Medicine (ABIM).

Dr. Mohsin is also board-certified in internal medicine, cardiovascular disease, and interventional cardiology by the National Board of Physicians and Surgeons. Dr. Mohsin continues to serve in the community as a guest speaker for numerous events, educating the public on cardiovascular disease from prevention to treatment.

Cardiology is a branch of medicine that deals with the disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, arrhythmia, and lipid management. As a cardiologist, Dr. Mohsin specializes in diagnosing and treating diseases of the cardiovascular system in addition to peripheral arterial and venous disease, including varicose veins.
