Dalseo-gu, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - If you want to have a better experience about life, love, and philosophy, listen to the most happening EDM tracks by the rising [South Korea DJ & Producer Cafrii](#) now out on SoundCloud. This young and enthusiastic artist has just made an appearance in the gala and with a short period has become music lovers' favorite. He is a one-man army as he owns a production label named **Lemon Records** where he writes, produces and distributes his compositions. The debut single by **Cafrii** titled '**CanonEDM**' has attained immense popularity earlier and now it is time for '**Sunrise**'. In his latest single **Cafrii** has teamed up with brilliant singer **Paula Mendes** who the voice is just ideal for bringing the original feel for the track.

Cafrii has been extremely enthusiastic about music composing since he was a child and with time he took the entire necessary step to nurture the skills. He is from Seoul where one of the contemporary names is when it comes to DJing and performs in different night clubs as well. Cafrii draws his inspiration from legendary artists and EDM music producers like Avicii and Kygo yet he never tries to copy them and has his signature styles.

The single '[Sunrise](#)' is a beautiful track that is juxtaposed with beautiful soundscore and lyrics. Be it

the piano melodies or the subtle arrangement of electronic sampling, voice modulation everything this just perfect. Singer **Paula Mendes** has poured her soul into the track to make it edgier. This track is perfect for relaxing or tapping your feats on the dance floor. Currently, **Cafrii** is working on new singles and is also very busy with his coming live shows in the city.
