Dr. Zimmer graduated with his medical degree from the University of British Columbia Faculty of Medicine. After obtaining his medical degree, he completed his internship with the Alameda Hospital Alameda Health System.

His patients have excellent experiences with him, one stating, “Fortunately, Dr Kirk Zimmer has been my family doctor for many years and has kindly and knowledgeably cared for and saved lives (coronary care), made critical decisions (a dangerous teenage depression), taken kind care of my mother to gracefully adapt to aging, and guided me through Multiple Sclerosis options for decades.. Dr. Zimmer is a master diagnostician and medical quarterback who has always found needed specialists that are so respected in their specialties. His kind and thorough medical management of my family has been a true source of peace of mind knowing that we have the best care possible.”

Another stating. “I was introduced to dr. Zimmer by a good friend of mine a few years ago and have been seeing him ever since. He is a very experienced kind professional that has my health interest in mind. He always gives me several choices for specialist referrals and they have all been great. The office staff have always been professional and courteous. His nurse assistant Ray is very polite, thorough and professional. It has been a challenge to find a great doctor in the past 33 years of being in South Bay. Dr. Zimmer is the one for me. I highly recommend him and Blossom Ridge, a medical group.”

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. As a family practitioner, Dr. Zimmer focuses on preventative care with routine checkups, tests and personalized coaching on how to maintain a healthy lifestyle.
