New York City, Sep 5, 2019 (Issuewire.com) - Dr Tamminidi is a dentist who is currently serving patients' dental needs at Healthy Smiles in Dover, New Hampshire. "We are dedicated to providing you with high quality, individualized care for your oral health needs. We understand that visiting the dentist can be stressful, so we have designed our facility and procedures with your comfort and ease in mind. Regardless of whether you need orthodontic or cosmetic treatment, you can rest assured that everyone at Healthy Smiles, from our front office staff to our hygienists and dentists, will make sure that your dental treatment is as effective, affordable, and pleasant as possible" as stated on the dental practice's website.

"My mission is to provide my patients with the best dental care in a comfortable environment. The fact that I can make my patients smile confidently gives me the motivation to strive harder and constantly sharpen my skills to be the best dentist I can be for my patients" as stated by Dr Tamminidi.

Dr Tamminidi is certified by the Dental Board, the North East Regional Board, the Western Regional Examining Board, and the Canadian Board. He is also certified and has advanced training in Invisalign, nitrous oxide sedation, cardiopulmonary resuscitation (CPR), first aid, and Basic Life Support (BLS).

In 2012, Dr. Tamminidi earned his Doctor of Medicine in Dentistry (DMD) degree with honors from the Henry M. Goldman School of Dental Medicine - the dental school of Boston University.

In 2008, Dr Tamminidi secured second place in an international essay competition on Ethic Issues in Modern Day Dental Practice, organized by the International College of Dentists. In 2009, he received the Dr S. Bratt Memorial Award from the same organization.

Dr Tamminidi is an active member of the American Dental Association, the Academy of General Dentistry, the New Hampshire Dental Society, and the Greater Southeastern Dental Society. He is also an esteemed member of the Doctor Mastery Program - a five-year program consisting of clinical training conducted by world-renowned clinicians. This challenging program builds on foundational skills and advances to complete mastery of the most complex dental care and procedures. Upon completion of the Doctor Mastery Program, Dr Tamminidi will increase access to dental care and achieve a Fellowship with the Academy of General Dentistry (FAGD), which is a title held by only 7% of general dentists in the United States.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. General dentists diagnose and treat dental issues and help patients develop better oral health regimens. Keeping his commitment to excellence in mind, Dr Tamminidi has always been passionate about incorporating the latest in dental interventions, procedures, concepts, and technological advances for his patients. His devotion to exceptional dentistry is reflected in his enthusiastic persistence in continuing education and the practical application of proven, cutting-edge concepts and techniques. Dr Tamminidi enjoys an interdisciplinary team approach, integrating his expertise with other specialties such as dental implants, periodontal surgery, and endodontics to achieve the highest level of dental function and esthetic outcomes.

In his spare time, Dr Tamminidi enjoys traveling with his wife, exploring new places, and trying

adventurous sports.
