Author By Nkosi Ife Bandele is pleased to announce the release of his new literary novel, Scott Free. Released by Crimson Cloak Publishing in June 2019, the book is already receiving rave reviews from readers and reviewers.

He hops a "Greyhound \$99 Special" en route to Hollywood, but in failing to reach the stars he lands on his knees, down and out in the San Francisco cleaning toilets and realizing that his life West resembles his life East as there's really no escaping oneself.
