Only 1% of people could escape through this horror hospital, so are you ready to become part of that 1%?

California City, Oct 10, 2019 (Issuewire.com) - Oculus Gear VR Game Veteran, Bleeding Edge Studios, brings you a Horror Game experience with Release of 'Horror Hospital – The Escape Story'

Bleeding Edge Studios, has announced its next upcoming game, "Horror Hospital – The Escape Story" -- An adventurous horror survival game", for oculus Go and Gear VR.

It's the story of a horror hospital survival when you were driving the car in a secluded area and suddenly a car with very bright lights appeared in front of you and your car got out of control. You tried hard to control but finally stopped after hitting on the tree. In the broken windshield, you could see the car and just front corner was only visible with the first few letters of the word "Ambulance". After that, you just being trapped and woke up in a hospital wardroom.

Now you have to pick up "keycards" and unlock doors to escape the hospital. You have to evade the Evil Doctor, like Mr. X. The Evil Doctor will follow you and once they see you then they'll never let you go safe outside. Keep silence and pick up the torch to find the door keys. You've to keep yourself from jump scares. Only 1% of people could escape through this horror hospital, so are you ready to become part of that 1%?

Download the game from Oculus Store (**Launching on 10th October**):
