

Overwhelming response to University Fair 2019

Mumbai, Sep 30, 2019 (IssueWire.com) - A brilliant effort by D Y Patil International school Worli resulted in an overwhelming response to **University Fair 2019**, with over **50 plus universities** from **5 continents** in attendance. D Y Patil International school Worli, part of the prestigious **Dr. Ajeenkya D Y Patil group** was the driving force behind this mega event, that saw the presence of **Singer Shaan, Dr Ajeenkya D Y Patil, Dr Indu Shahani, Dilip Chhabria, Viveck Shetty, Dr Pratibha Jain, Ryan Pereira** and **Vedang Patel** as panelist and speakers. **Richard Mc Donald, Executive Director, Aiglon College, Switzerland** did the honors as the **Chief Guest** for this high profile gathering.

An engrossing panel discussion saw Dr. Ajeenkya D Y Patil waxing eloquent on the pros and cons of technology in a rapidly changing world and he also brought into sharp focus the need for continuous innovation. Dr. Indu Shahani opined that we need to graduate from **Make in India, Digital India** to **Education in India**. Shaan was literally on a song as he advised one and all to recognize and acknowledge their inner calling and not succumb to an escapist methodology while choosing careers. Automobile expert Dilip Chhabria strongly emphasized that it is passion and only passion that elevates careers to a higher orbit and ensures that every single day of the week is a joyful experience.

Chief guest Richard Mc Donald, Executive Director, Aiglon College, Switzerland, drew the attention of the audience on the importance of stepping out of their comfort zones while retaining the great character and adapting to a world that would be strongly influenced by Artificial intelligence. **Viveck Shetty, Life Coach and Motivational Speaker**, in his break out session dwelled at length on the need of an inclusive and joyful environment for students to achieve peak potential. He further added that human birth is not for survival but for peak potential. Dr **Pratibha Jain** combined her experience, expertise, and wisdom to advise students on right decision making while pursuing higher education abroad. **Vedang Patel** inspired the gathering with real-life stories of Jack Ma and asserted the need to keep trying irrespective of failures. **Ryan Pereira, Regional Officer at the United States—India Educational Foundation** stated that patience was the key when it comes to choosing the right university and also emphasized the need to choose universities as per individual skill sets

Audience participation and enthusiasm was at its peak right through this daylong event. Many students and parents found answers to their long-standing questions and hopefully it is these very answers that will pave the way for a brighter future.
