

Pim Suwannarat, MD, Geneticist with Mid-Atlantic Permanente Medical Group

Get to know Geneticist, Dr. Pim Suwannarat, who serves patients in Virginia.

New York City, Sep 28, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Accomplished and admired top clinical and biomedical Geneticist Dr. Suwannarat treats people with inherited disorders or genetic abnormalities, such as birth defects, developmental delay and down syndrome. She was instrumental in establishing the cardiovascular genetics and neurogenetics clinics at Kaiser Permanente in San Francisco, in addition to participating in regional metabolic, craniofacial and neurofibromatosis clinics. She currently serves as the Chief of the Genetics Department at MAPMG as well as Chair of the KP Mid-Atlantic Institutional Review Board.

Dr. Suwannarat earned her medical degree in Chiang Mai University in Chiang Mai, Thailand. She interned at the University of Tennessee Medical Center at Knoxville and trained in Pediatrics at Inova Fairfax Hospital for Children. She completed her training and board certification in Clinical Genetics and Clinical Biochemical Genetics at the National Human Genome Research Institute. NHGRI collaborates with the scientific and medical communities to catalyze genomic breakthroughs and supports the robust study and treatment of specific diseases with colleagues at the National Institute of Health.

With outstanding reviews from colleagues, associates and patients, Dr. Suwannarat is a highly sought after provider. She is board-certified by the American Board of Medical Genetics and the American Board of Pediatrics. To continue as a leader in her field, Dr. Suwannarat is a member of the American College of Medical Genetics and Genomics and the Society of Inherited Metabolic Disorders.

The recipient of numerous awards and accolades, she has been named a Top Doctor multiple times and honored with Washington Consumers' Checkbook Magazine's Top Doctor Award.
