

Print Pad All S.A. de C.V. to distribute Natron Series pad printing inks in Mexico

Boston Industrial Solutions, Inc. partners with Print Pad All S.A. de C.V. to distribute pad printing, screen printing inks, and silicone inks in Mexico.

Woburn, Sep 9, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Boston Industrial Solutions, Inc. is pleased to announce a new partnership with Print Pad All S.A. de C.V. for the distribution of pad printing inks and screen-printing ink lines in Mexico. Print Pad All S.A. de C.V. will stock, distribute, and support the Natron™ inks lines. These include:

- Natron™ [SE series silicone inks](#) for pad printing and screen printing on silicone rubber
- Natron™ [EK Series](#) pad printing ink for plastics (a one-component ink for printing on over 90% of all plastics)
- Natron™ MG [Pad printing ink for metal](#), glass, ceramics and hard plastics
- Natron™ [UV-MK Series](#) inks—UV LED curable pad printing and screen-printing inks for plastics, metal, glass, wood, PVC, ceramics, soft touch, and more
- Natron™ [ST Series](#) inks for pad printing and screen printing onto soft touch, nylon, rubber, synthetics, and textiles.

In addition, Print Pad All S.A. de C.V. will offer consultation, expert guidance, and support on ink selection to customers in this market. Customers in the region will be able to buy Natron™ SE series silicone inks as well as other pad printing inks directly from [Print Pad All S.A. de C.V.](#)

Print Pad All S.A. de C.V. has a strong background and experience in pad printing equipment, screen printing machines, pad printing supplies, and pad printing inks.

From Boston Industrial Solutions, Inc., perspective, this as a positive next step to bringing the high-quality pad printing inks, screen printing inks, and digital inks closer customers worldwide. This new partnership will give customers in Mexico access to the best silicone ink and other screen and pad printing ink lines in the world.

Boston Industrial Solutions' knowledge of the market, research, and technological innovation will be invaluable in supporting Print Pad All S.A. de C.V. to provide customers with excellent inks and services that are second to none.
