**New York City, Sep 3, 2019 ([Issuewire.com](http://Issuewire.com))** - Dr. Box is a general dentist who is currently serving patients' dental needs at his private dental practice, Infinity Dental & Laser Center located in Fayetteville, Arkansas. Infinity Dental & Laser Center is a family dental practice that welcomes patients in every stage of life from childhood through the senior years. Since the practice's opening 1976, Dr. Box and his team of professionals have remained dedicated to helping patients improve their dental health and overall well-being. "Our goal is to build long-lasting, positive relationships with our patients and between team members — this helps us continually provide excellent, quality general and cosmetic

dentistry services. In addition, our doctors and staff regularly attend continuing education classes to stay up-to-date on new techniques and cutting-edge technology” as stated on the dental practice’s website.

Due to his interest in continual learning and skill improvement, Dr. Box currently serves as the Chairman for Arkansas Academy of General Dentistry Mastertrack Program. Dr. Box is a Fayetteville Arkansas native. He graduated from Fayetteville High School and then attended the University of Arkansas, earning his Bachelor of Arts degree in Economics. After earning his Doctor of Dental Surgery degree from the Texas A&M College of Dentistry in 1975, he opened his practice in Fayetteville in January of 1976.

Dr. Box has been active in many community services since opening his practice, including the free clinic at Fayetteville High West Campus for 25 years. He also volunteers at the Washington County Free Clinic.

Dr. Box is a professional member of the Spear Study Club, the Fayetteville Rotary Club, the American Dental Association, the Association Data Inc., the International College of Dentists, the Academy of Interdisciplinary Dentofacial Therapy, the Chamber of Commerce, and the Pierre Fauchard Academy. He is also a Diplomate of the International Dental Implant Association, an eligible Diplomate of the American Sleep and Breathing Academy, and a Mentor for Cerecdoctors.com.

Dr. Box is a Master of the Academy of General Dentistry. Mastership represents the highest level of achievement for members in accordance with AGD’s mission to advance general dentistry and oral health through quality continuing education.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. General dentists diagnose and treat dental issues and help patients develop better oral health regimens. Dr. Box is an expert in adult reconstructive dentistry.

Dr. Box’s hobbies include playing the guitar, fishing, and riding horses. He has one daughter - Bradyn. Both he and his daughter are members of Central United Methodist Church in Fayetteville.
