The mysterious person Spaid has mesmerized the audience with his new song 'Pieces'. It is the most exquisite rendition from the repertoire of the talented singer.

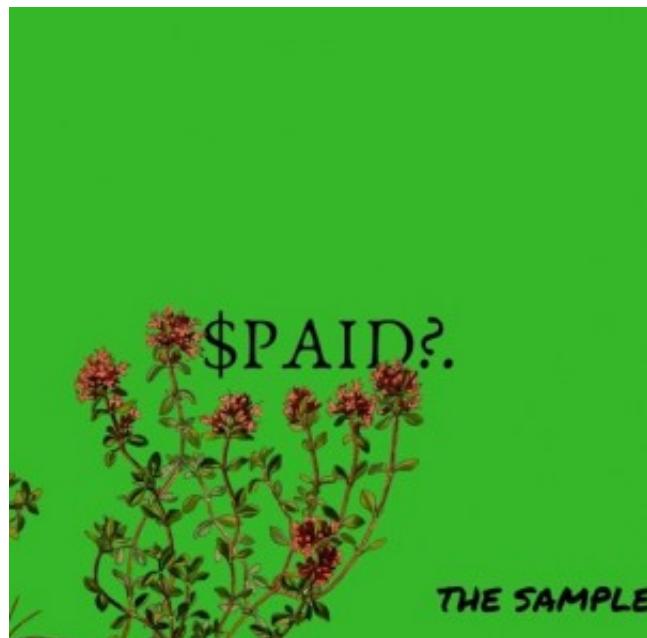

**Houston, Sep 21, 2019** ([IssueWire.com](http://IssueWire.com)) - **Spaid** is a prolific singer who has carved out a niche for himself in the genre of hip hop and R&B music. Recently, he has delivered his new song '[Pieces](#)' which is immaculate and is becoming very popular among the masses. The [mysterious person](#) is a very singer of 20 years and hails from Houston. He has got a very likable arrogance when he says that people from his city do not make out. His songs are dedicated to people who have been betrayed in life and also on suppressed emotions of people going through pains in life. By visiting his [Twitter](#) and [Instagram](#) profile, you can know more about the singer. By plugging into major trending platforms like [Soundcloud](#), you can listen to his music.

In the song '[Pieces](#)' by **Spaid**, the singer has depicted the dashes of reality with flickers of instrumentation. The track is very dynamic with lots of high energy vibes. The vocal style of delivery is very seductive and sultry. The swagger and the pace suits the song beautifully. The hook of the song weaves a web around you with all its color and has got multiple layers. The airwaves are graced with the finely calibrated rhythm which has a soothing effect.

**Spaid** in his song '[Pieces](#)' has given a performance that is quite stunning. The songs have a very addictive groove. The high-intensity vibes are in the backdrop of heavy electronic music. There is an element of fusion in the song that goes very well with the mumble in the rap. It gives an organic feel to the song. The song has got an upbeat bounce that is jazz cafe like. The beat is very much uplifting and engages the audience notably. The touch of soft funk in the song instills the confidence to sway.
