

VapeWild Ireland Launches Dublin Store

International vapour company expands service in Republic of Ireland

Dublin, Sep 19, 2019 (IssueWire.com) - VapeWild, an American vapour manufacturer, retailer and distributor announced the grand opening of its first Dublin retail store on September 16.

[VapeWild Dublin](#), located at 292 Ballyfermot Rd, Ballyfermot Dublin 10, operates as the VapeWild.ie order fulfillment center and the retail space. VapeWild.ie boasts a large selection of TPD compliant e-liquid, vapour hardware and quality service from knowledgeable team members.

The grand opening takes place Saturday, 21 September from noon to 6 p.m. Vapers 21+ are welcome to attend, and food will be provided at the event.

Following the grand opening, local customers will be able to place orders via the VapeWild.ie website and pick up their order via the company's click and collect program.

Established in 2014 in the United States, VapeWild aims to provide consumers with low cost, high-quality e-liquid. The company also strives to exceed expectations in compliance, advocacy, and awareness in the vaping industry. VapeWild.ie provides Ireland's smoking and vaping population with dedicated customer service, expertise, and variety in regionally compliant product offerings.
