

Walnut Publication announces Premium Self-Publishing package

Affordable and Transparent Pricing

Bhubaneswar, Sep 19, 2019 ([IssueWire.com](https://www.issuewire.com)) - Walnut Publication has published more than 100 books since its launch in 2018 with self-publishing packages targeted at value-seeking authors. With affordable packages and transparent pricing model, it aims to become a leading self-publishing startup of India by 2021. Walnut Publication provides pre-publishing and post-publishing services like cover design, content formatting, editing & proofreading, manuscript conversion, Print-on-Demand (PoD), ISBN assignment, eBook creation, domestic and international distribution.

Walnut Publication has added a new Premium Package for authors looking to sell their books internationally. Paperback publication, eBook creation, and international distribution are included in the premium package. It is priced at Rs.19999 including GST which is the lowest amongst all competitors. Amazon Prime Placement and Amazon Sponsored Advertisements are some of the add-on services recommended for an author. Prime enabled books are shipped directly from Amazon's warehouse which leads to quick delivery. Amazon Prime Placement enables free shipping for subscribers of Amazon's Prime program and customers are more likely to prime enabled books.
