SOULS *from* MERCURY

RAJU RAMANATHAN

Pittsburg, Oct 19, 2019 ([IssueWire.com](http://www.IssueWire.com)) - In a world beset by an ever-growing list of stressors, one cannot help but grow tired and find their health compromised, losing touch with their inner balance and the world around them. Which is why renowned life coach and mystic scientist Raju Ramanathan has developed a method of chakra purification, through which negative energies are purged from the body and one can reconnect to their communities. Backed by ancient texts and informed by personal revelations from meditations, Datta Yogi Raja, himself a descendant of priests and holy men, lays down his teachings in his new book, [*Souls from Mercury*](#). After numerous appearances on TV and radio and consultations by big corporations, he finally puts his knowledge into writing for everyone to read and apply to their lives.

Compared by Pacific Books to the works of Deepak Chopra and Marianne Williamson, *Souls from Mercury* promises to help readers heal and realize their fullest potential. The book is also designed to work while read by the individual or in a group healing session. This is a culmination of over fifty years of work, self-reflection, and dedication to the evolution of the spirit.

Datta Yogi Raja will be attending the Ottawa Book Expo 2019, to personally talk about and sign his book. The event will be held at the Horticulture Building in Lansdowne Park, Ottawa, Ontario, Canada this coming October 20, 2019, at the Authors Press booth number AZ01.
