

Andrea E. Nomberg, MD, a Family Practitioner with Mid Island Internal Medicine / Stony Brook University Hospital

Get to know Family Practitioner, Dr. Andrea E. Nomberg, who serves patients in New York.

New York City, Oct 21, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Nomberg is a family practitioner who is board-certified by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

In 2002, Dr. Nomberg started Mid Island Internal Medicine. The practice aims to provide thoughtful and comprehensive care, including the ability to perform EKGs, breathing exams with pulmonary function testing, strep tests, sonograms, laceration repair, small skin lesion removal, urine analysis, diabetes care, hypertensive care, vaccinations, and more - all with compassion and excellent medical skills.

Additionally, Dr. Nomberg is affiliated with Stony Brook University Hospital, which is the largest academic medical center on Long Island with 603 beds for patient care. In regards to her educational background, she earned her medical degree from Albany Medical College in 1993. She then went on to complete her residency in family medicine at South Nassau Communities Hospital in Oceanside, New York. Before long, she became a member of the Medical Society of the State of New York and the American Academy of Family Physicians.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. A family practitioner, like Dr. Nomberg, is a doctor who specializes in caring for the entire family. They serve as a doctor for individuals regardless of their age and gender. Patients can be children, adults, and the elderly, and are treated for a wide array of medical issues.
