

Cady Linn, MD, FACOG, Obstetrician-Gynecologist with Community Health Pavilion Saxony - OB/GYN Care

Get to know Obstetrician-Gynecologist Dr. Cady L. Linn, who serves patients in Fishers, Indiana.

New York City, Oct 9, 2019 (Issuewire.com) - As a board-certified obstetrician-gynecologist, Dr. Linn is trained in normal and high-risk obstetrics, obstetric and gynecologic ultrasound, general and operative gynecology, as well as infertility. She has a special interest in minimally invasive surgical procedures.

Since 2009, she has been with Community Health Pavilion Saxony in Fishers, Indiana. Community Health Pavilion Saxony offers complete coordination of care with easy access to services such as urgent care, cardiac testing, dermatology, endocrinology, family medicine, imaging, lab, ob/gyn, pediatrics, physical therapy and rehab, and more. There, Dr. Linn is affiliated with the OB/GYN Care area.

A graduate of the Indiana University School of Medicine in 2005, Dr. Linn completed an internship and a four-year residency in obstetrics and gynecology at Riverside Methodist Hospital in Columbus, Ohio. She then became board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology, which is a non-profit organization that provides board certification for practicing obstetricians and gynecologists in the United States and Canada. Additionally, she earned fellowship status with the American College of Obstetrics and Gynecology.

Obstetrics and Gynecology is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts). An obstetrician-gynecologist, or OB-GYN, is a healthcare professional who specializes in female reproductive health. Dr. Linn feels it is important for women to understand the dynamics of their own health and bodies in order to achieve optimal well-being and make informed choices throughout the various stages of their lives. Because every woman is unique and has different needs, she strives to develop close relationships with her patients to care for them and their families individually.

In her spare time, Dr. Linn enjoys spending time with her family, as well as sewing, quilting, and knitting. She and her husband, Aaron, live in the Indianapolis area with their son, Colin.
