

## **Claire M. Cohen, MD, a Child and Adolescent Psychiatrist with Associates in Behavioral Health Care**

Get to know Child and Adolescent Psychiatrist Dr. Claire M. Cohen, who serves patients in Pittsburgh, Pennsylvania.

**New York City, Oct 22, 2019 ([Issuewire.com](http://Issuewire.com))** - Dr. Cohen is a board-certified child and adolescent psychiatrist, who provides expert diagnosis and treatment for a wide array of conditions, including adjustment disorder, major depressive disorder, psychiatric diseases, and schizophrenia. She can be found on staff at Associates in Behavioral Health Care located in Pittsburgh, Pennsylvania. Associates in Behavioral Health Care has been a part of the South Hills area for over 15 years. The caring team is

made up of a psychiatrist, clinical psychologists, and masters-level therapists, who work together to provide services for patients at all stages in their life's journey.

Additionally, Dr. Cohen is affiliated with Southwood Psychiatric Hospital, a specialized inpatient hospital for mental health and co-occurring addiction in Pittsburgh. Southwood Psychiatric Hospital is dedicated to providing quality health, education, and assisted living services to troubled teens and adolescents.

Her acclaimed career in medicine began in 1980 when she graduated with her medical degree from Drexel University College of Medicine in Philadelphia, Pennsylvania. She then went on to complete her internship and residency at the University of Chicago Medical Center in Chicago, Illinois, followed by her fellowship at the UPMC Western Psychiatric Hospital in Pittsburgh.

Before long, she became board-certified by the American Board of Psychiatry and Neurology, a not-for-profit corporation dedicated to promoting high quality patient care for the public through the initial and continuing certification of psychiatrists and neurologists.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. Child and adolescent psychiatry, also known as pediatric psychiatry, is a branch of psychiatry that focuses on the diagnosis, treatment, and prevention of mental disorders in children, adolescents, and their families. A child and adolescent psychiatrist, like Dr. Cohen, is a physician who specializes in the diagnosis and treatment of disorders of thinking, feeling, as well as behavior affecting children, adolescents, and their families.
