Get to know Radiologist Dr. Daniel B. Norowitz, who serves patients in Brooklyn, New York.

**New York City, Oct 24, 2019** ([IssueWire.com](http://www.IssueWire.com)) - Dr. Norowitz is a board-certified radiologist with over three decades of experience in his field. He can be found on staff at Radiology Associates of Brooklyn in Brooklyn, New York.

Radiology Associates of Brooklyn provides high-quality radiology imaging services to patients from Manhattan, Brooklyn, Queens, Bronx, Staten Island, Long Island, New Jersey, Pennsylvania, Connecticut, and other surrounding states. The board-certified physicians and staff working there remain dedicated to offering patients the best quality of care. They do this by developing and maintaining current proven technology, hiring committed qualified staff, and working in a collaborative environment.

In 1983, Dr. Norowitz earned his medical degree from the Albert Einstein College of Medicine in New York City. He then went on to complete his internship at New York-Presbyterian Hospital, followed by his residency in diagnostic radiology at Jacobi Medical Center.

Thereafter, he became board-certified in radiology by the American Board of Radiology, a not for profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, radiation oncology, and medical physics.

Radiology is a medical specialty that uses medical imaging to diagnose and treat diseases within the human body. Radiologists, like Dr. Norowitz, are medical doctors who specialize in diagnosing and treating injuries and diseases using medical imaging procedures, such as exams and tests, X-rays, computed tomography, magnetic resonance imaging, nuclear medicine, mammography, positron emission tomography, and ultrasound.
