Hollywood, Oct 28, 2019 (Issuewire.com) - Creator and Executive Producer of the critically acclaimed, boxing reality show , Knockout- Steven Marciano, gets ready for major moves as a consultant and creator of more projects in 2020.

This native New Yorker, has seemed to have made the West Coast his new home , as we sat with him at the legendary Social House on Sunset Blvd in Hollywood. As the drinks poured and the hookah and cigar smoke filled the room, Marciano really didn't want to discuss anything from the past.

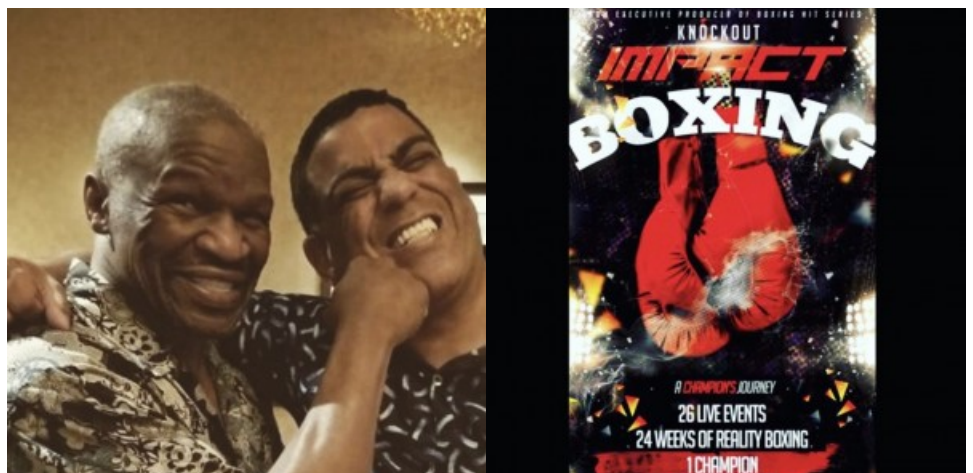

Last year, Marciano overcame everything from divorce to the death of beloved advisor, but this year, Marciano has jumped back into fighting position (no pun intended) with his new consulting deal with one of the top agencies in the industry and powerbrokering.

So where does that leave his ability to bring more cutting edge shows to the market, like Knockout ?Not to worry, Marciano has not retired his love for creating shows, just yet. He will be presenting 12 live boxing events, in 2020- the first on January 24th. Marciano will also executive produce a new boxing show called Impact.

Outside of the boxing ring - Marciano will also executive produce other new shows, including: Rappers And Ballers , starring Hip Hop legend and actor-Fredro Starr, What's Next and Life After Death, to name a few.

With each of these projects, already green lit for production, Marciano will be one of only 10 producers , estimating over 60 hours of television,that will appear, in over 91 million homes, in 2020.

Clearly you can take the man out of New York , but his work ethic, his hunger, his drive... those things, like his hometown, never sleep.
