

Groove to the Groovy Single 'Poker Face' By Hard Rock Band Foundry

The hardcore metal band named Foundry from Los Angeles is all set to set Spotify gala on fire with their new single 'Poker Face'. It is an ultimate fusion track.

Las Vegas, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - If there is any place that has given the true worth to hard rock as a music genre, it has to be Los Angeles. Since 1980, Los Angeles is known as the hub for heavy metal and hard rock even if the genres have spread its influence in the other parts of the States and all around the world. Many legendary figures have started from the place and even

bugging artists are getting recognized. Recently, a hard rock metal band named **Foundry** is steadily increasing its fan following with its excellent compositions that are available on Spotify. Amongst some of their chartbusters, this season the track that will pierce your hearts is '[Poker Face](#)'. Jive into this energetic single exclusively on Spotify.

The band **Foundry** has good collections of compositions and also working on a few other remakes that will soon be available on Spotify and other music streaming platforms. For now, the track '**Poker Face**', originally by pop goddess Lady Gaga has got a whole new dimension with **this band**. The single by Lady Gaga is a brilliant electro-pop track and the hard rock band has fused it with the core elements of heavy metal. This single can rightly be called a contemporary Nu-metal and has become the most popular track for this season. It is produced by Metallica Mixer Mike Gillies. Stay tuned to Spotify for **Foundry's** upcoming track is a remake single of Carrie Underwood. Follow the rising band on [Twitter](#) and [Facebook](#).
