

Invest Align Shares the Benefits of Trading with Zerodha

Leading investment consultant shares the benefits of Zerodha Account Opening.

Ahmedabad, Oct 24, 2019 (IssueWire.com) - Investalign, one of the most trusted investment consultant shared the benefits of trading with Zerodha later last week. The company shed light about a number of benefits the discount broker offers to investors. Team Investalign said, "Zerodha has been around for a while now and they revolutionized the trading world which makes them one of the preferred discount brokers in India. Zerodha is one of the most sought after discount brokers because they have so much to offer. [Zerodha account opening](#) is quite an easy process and investors do not have to burn their pockets to pay for discount brokerage either. Unlike full-service discount brokers who charge a huge percentage of the trading volume as discount brokerage, Zerodha merely charges a flat Rs. 20 or 0.01 percent regardless of the volume which is one of the many benefits of trading with Zerodha." said Team Investalign.

Below are some more benefits shared by Investalign-

1. Saves Time

If investors open a Zerodha demat account, they will be able to save a lot of precious time. Zerodha demat trading is absolutely paperless which makes transactions faster. Investors are able to sell or buy a good number of securities in lesser time.

2. Simple Account Opening Process

Zerodha account opening process is very feasible as well. Unlike other discount brokers, Zerodha account opening saves you a lot of time. "If you are wondering [how to open a demat account in Zerodha](#), all you need to do is provide some basic information and you are good to go." added Team Investalign.

3. Cost-Effective

Zerodha provides its investors a good opportunity to invest their money without charging extra money. You do not have to pay hefty additional charges such as stamp duty, miscellaneous charges and handling charges to name a few which makes Zerodha the best discount broker.

4. Risk-Free

[Zerodha demat account](#) is safe from any sort of theft or robbery which makes it a preferred choice to go for. It is relatively risk free which is why investors trust Zerodha this much. You can enjoy trading by simply linking internet banking with your Zerodha account which makes the entire process easy and fun. Besides, you can also use their Android and iOS mobile apps for trading. These apps are fast enough for a smooth and comfortable trading experience.
